

## Overall Processor Performance by Application

[11/10/2010 12:00:00 AM - 11/24/2010 11:59:59 PM]

| Application                             | Avg %Processor Time | Max %Processor Time |
|---|---------------------|---------------------|
| Acceleratio.Reporting.Collector.exe     | 77.47               | 102.66              |
| Foxit Reader.exe                        | 15.78               | 16.09               |
| Microsoft Office Access                 | 3.16                | 34673.91            |
| FOXITR~1.EXE                            | 1.39                | 17.03               |
| SystemPropertiesAdvanced.exe            | 0.89                | 3.44                |
| Microsoft Office Outlook                | 0.87                | 80.47               |
| Terminal Services Log Reporting Console | 0.47                | 91.08               |
| DeviceDisplayObjectProvider.exe         | 0.35                | 29.69               |
| Remote Desktop Connection               | 0.21                | 21.09               |
| Microsoft Office Word                   | 0.18                | 1.88                |
| Microsoft Office Excel                  | 0.15                | 809.69              |
| WinRAR                                  | 0.15                | 172.81              |
| dwwin.exe                               | 0.13                | 0.62                |
| Internet Explorer                       | 0.12                | 21.37               |
| splwow64.exe                            | 0.1                 | 538.91              |
| CPWSave.exe                             | 0.09                | 1.41                |
| FileZilla                               | 0.07                | 7.19                |
| rdpshell.exe                            | 0.04                | 5.62                |
| WerFault.exe                            | 0.04                | 0.62                |
| TSTheme.exe                             | 0.04                | 0.16                |
| Windows Task Manager                    | 0.04                | 4.22                |
| Notepad                                 | 0.02                | 0.31                |
| Total Commander                         | 0.02                | 33.12               |
| AVG8AdminServerMonitor.exe              | 0.01                | 0.94                |
